*American Business College exchange partner University

The American Business College - Paris offers a Bachelor of Business Administration and a Bachelor in Luxury, Fashion, and Retail Management, both accredited by the IACBE (International Accreditation Council for Business Education) in the U.S. and certified by France Compétence (Ministry of Labor).

Part of Group IGENSIA Education, a not-for-profit institution with 14 schools, the college is located in the 10th arrondissement near Canal St. Martin. The IGS Campus hosts over 3,000 students and offers a wide range of courses in business, marketing, finance, fashion luxury management, and liberal arts.

Credits earned are transferable to home institutions, but students should verify with their academic advisors that these credits will apply to their degrees.

Admission Requirements

The program is open to any business or social science students whether they apply through partner institutions or apply directly. It is designed primarily for undergraduate students who are interested in studying in France and have a cumulative G.P.A of at least 2.5. Applicants will be judged on their motivation, flexibility and sensitivity to other cultures, and their ability to adjust to a new cultural setting.

How to Apply?

If your university is listed on the brochure, you must apply through your Study Abroad Office and meet the deadlines of your own university. In case of direct enrollment send the study abroad application form along available on the website with the supporting documents, to Jonathan Broutin, Director of Development North America.

Application deadlines

- October 10 for Spring semester
- April 10 for Summer
- May 10 for Fall semester

Applicants with the gi bill

Studyabroadstudents mayuse their GI Bill benefits as ABSParis programs are recognized by the US Veterans administration. Please contact Jonathan Broutin for more information

U.S. Federal loans deferment

Regular students enrolled at American Business College will be granted an in-school deferment of repayment of Federal Family Education Program Loans & Federal Direct Student Loans.

Why Paris ?

More than a postcard: the city is your gateway to international business, tech, and entrepreneurship... **Paris is a Business Hub.**

Go behind the scenes of the world's most iconic fashion shows and trade fairs. **Paris is Fashion.**

With the city as your home base, Europe becomes your backyard. Cities like London, Barcelona or Milan are just a train ride away. **Paris is Europe.**

From famous cafés to world-class museums, history is your daily backdrop. **Paris is Culture.**

Why ABC ?

The best of American teaching: intercultural collaborative learning, flexibility and empowerment. **ABC is Diversity.**

Up to 80+ nationalities in one place. Every classroom is a global exchange. **ABC is International.**

Classes capped at 40 students for real impact. Learn by doing. **ABC is Interactive.**

Gain exposure to the business world:

The Company Case Challenge: allows you to take on the role as a junior consultant for 8 weeks between February and April, solving real challenges for top-tier brands. **ABC is Challenge.**

Connect with industry leaders through corporate visits and executive guest speakers. **ABC is Networking.**

Build Tomorrow Together

What is life like in Paris?

Morning lectures, afternoon museum visits, basketball game nights and evening strolls by the canal. **Paris is Carpe Diem.**

Navigate a world capital, build your confidence and find out who you really are. **Paris is Growth.**

Every street corner reveals something new about the world. **Paris is Discovery.**

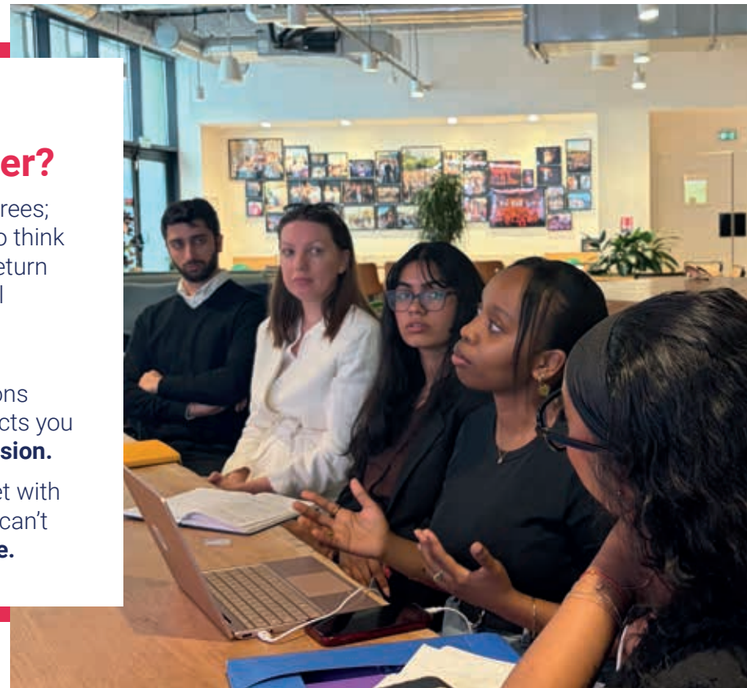

How will ABC Paris help my future career?

Employers don't just look for degrees; they look for collaborators able to think and solve problems creatively. Return home with firsthand international business experience.
ABC gives you the Edge.

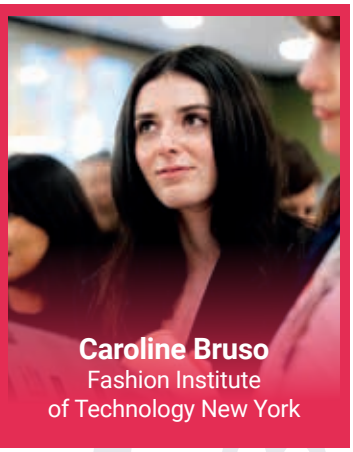

Broaden your professional horizons with a global network that connects you across continents. **ABC is Expansion.**

Stand out in a competitive market with a cross-cultural perspective that can't be taught in a book. **ABC is Value.**

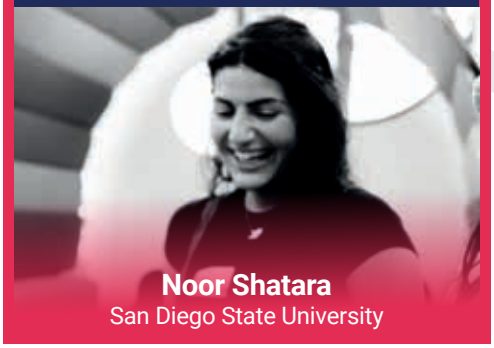

Testimonials

During my semester abroad at ABC, I had the opportunity to lead a two-month consulting mission for Estée Lauder Companies Europe & EMEA on the launch of an iconic product, delivering data-driven insights and strategic recommendations to optimize future launches. I also had the privilege of presenting our findings directly to the product development and marketing teams.
This experience strengthened my expertise in social media performance analysis and showed me how academic learning can help create real business impact.

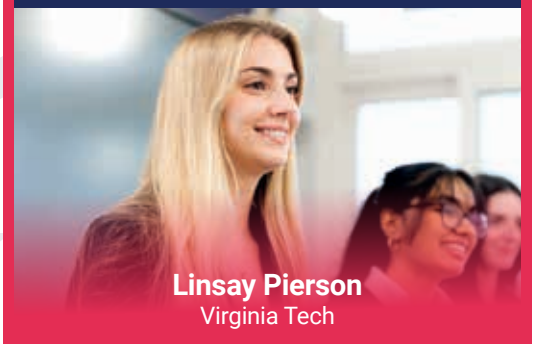

Caroline Bruso
Fashion Institute
of Technology New York

The (Company Case) Challenge taught me that mission alignment is not enough. You have to use your alignment to find strategic pinpoints and find creatives ways to word your mission

Noor Shatara
San Diego State University

I was selected to join the MBA seminar an immersive experience in top notch companies Auditoire (Omnicom Group), Qonto, Michael Page following my good results in the Company Case.
